1.1 INSTALLATION

1.1.1 Summary diagram of the connections

1.1.2 Preparing to install

If the car is equipped with "Keyless Go" technology, keep the key at least 10 meters away from the passenger compartment. If there is an anti-theft device, deactivate it before starting the installation.

1. Remove the mat and move, if necessary, the driver's seat to facilitate installation.
2. Check that the car key has been removed and disconnected from the instrument panel for at least 5 minutes.

1.1.3 Wiring connection

- Disconnect the original 6-pin connector directly on the accelerator pedal potentiometer as shown in Fig.1

- Connect the connector with the female pins of the Marelli harness to the potentiometer (Fig. 2)

- Connect the car's original connector to the connector with the male pins of the Marelli harness. (Fig.3)

1.2 USER'S RESPONSABILITIES

Marelli Aftermarket Italy S.p.A. (except as set forth hereafter) does not grant any warranty and shall never be considered liable for any disruption that may derive from using device, in particular with respect to any extra wear and/or deterioration of the engine or of any other mechanical and/or electrical part of vehicle.

The use of the device (in all its components) must be preceded by careful reading and understanding of the Instructions and must therefore be done in accordance with what is stated in the aforementioned Instructions document.

If the User is a consumer of the provisions of D.lgs 206/2005 which concern the conformity, warranty of purchased items shall apply (in accordance with such D.lgs 206/2005, a consumer is a person that buy products outside from his business). Therefore, the consumer with no extra expenses, has the right to obtain the conformity restatement of purchased item, by its replacement or reparation. For this purpose, Marelli Aftermarket Italy S.p.A. must be informed about item non-conformity within 2 (two) months from the discovery of such non-conformity. This warranty covers the defects that come within 2 (two) years from the delivery. The normal "wear and tear" shall never be considered non-conformity. This warranty shall never be applied if the consumer alters device and/or if the consumer directly or indirectly repairs it and/or if the non-conformity is due to improper, negligent or imprudent use of device.

If the User is a professional user, Marelli Aftermarket Italy S.p.A. only warrants that device is free from manufacture defects for 2 (two) years from the purchase date, provided that the professional user is able to demonstrate such date by showing proper documentation.

UNDER NO CIRCUMSTANCES SHOULD DEVICE BE USED TO BREAK THE LAW OF THE COUNTRY OF USE OF THE VEHICLE. FAILURE TO COMPLY WITH SUCH PROVISION WOULD DETERMINE THE IMMEDIATE TERMINATION OF THIS AGREEMENT.

Without prejudice to mandatory law provisions, Marelli Aftermarket Italy S.p.A. shall be relieved from any and all contractual and / or extra-contractual liability for personal injury; for direct and / or indirect damage (both with reference to emerging damage and loss of profit); for any claim and / or cost of any kind; which has been suffered by the User or by any third parties and which may derive from the use or misuse and / or may depend and / or in any case may be attributable to device, except in the case that those events may be attributable to Marelli Aftermarket Italy S.p.A. for wilful misconduct or gross negligence. The foregoing limitations and exclusions shall be applied to the maximum extent permitted by legislation in force in the User's jurisdiction.
